

The City of Smiley will be closing the lobby to its city buildings effective immediately, as a precaution to the COVID-19. We are expected to remain shut down through the end of the month. We will share more information once it becomes available. We encourage customers to conduct business over the phone or by email. The drop box is available at City Hall and payments can be mailed to the post office box. Please make payments by check, cashier's check or money order. No cash allowed in drop box.

The City of Smiley appreciates your understanding during this time. We understand the impact this can potentially cause on customers and will continue to monitor this situation closely to provide updates.

We will post any and all updates on our front door or on city website. <https://smileytx.com>
